**RE: RECOMMENDATION FOR THE APPLICATION FOR GRANTS ASSISTANCE
UNDER THE (USAID RHITES-E ACTIVITY RFA) BY BIDCAF**

This is to recommend Benevolent Integrated Development and Care Foundation
formerly Busoga Integrated Development and Care Foundation (BIDCAF) in partnership
with Kibuku District Local Government to implement the above health project

Benevolent Integrated Development Care Foundation is a fully registered Christian, non
for profit NGO with its head office in Iganga Municipal Council established to serve the
needy communities in the Eastern Uganda

I am hopeful and convinced that when BIDCAF is given the opportunity, their operations
will boost the health sector performance of the district and the people of Kibuku at large

The district looks forward for more strong partnership and collaboration with BIDCAF to
improve health care services in Kibuku district and Uganda as a whole

Yours

Mutema Charles Dick
