## LETTER OF RECOMMENDATION

This letter serves to introduce to you Busoga Integrated Development and Care Foundation (BIDCAF) a registered, nongovernmental and not for profit organization working in the hard to reach areas of Luuka District in the sub counties of Ikumbya and Bukooma for the last 7 years.

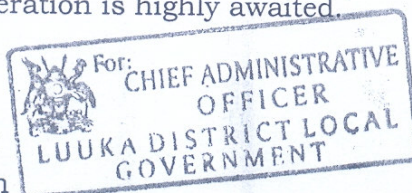

Their major areas of concern include; Community Organization, HIV & AIDS Positive Prevention, Nutrition Care and Support for People Living with HIV/AIDS, Education and Psychosocial Support to Orphans and Other Vulnerable Children, Gender mainstreaming and House hold food security and income initiatives.

Following their 7 years working experience while in the district, I highly recommend BIDCAF to access the necessary support for strengthening and furthering their service delivery in a bid to contribute to the District health plan, National Development Plan and Sustainable Development Goals.

I am quite optimistic that given this opportunity, BIDCAF will perform to all stakeholders' expectations.

Your usual cooperation is highly awaited.

Awuye Abdallah
